sixth anniversary dates of the registration. After the first ten-year period, the registration will be renewable for subsequent periods of ten years while use continues. We have entered these dates—January 1, 2008 for the affidavit and January 1, 2012 for the first renewal—in our docket system and will send you timely notice of the need to file the affidavit and the first renewal. However, in view of the considerable time periods involved, we do suggest that you also note these important dates on your long-term calendar.

If you have any questions regarding this registration, or if we can assist you with any other matter, please don't hesitate to contact us.
